Stock Price Information. Golden Goliath does not generate information regarding our stock prices for this web site. Although we believe the information regarding our stock prices contained on this web site is correct, we cannot guarantee or warrant the accuracy, completeness or timeliness of this information. You should not rely on the stock price information for investment purposes.

Forward-Looking Information. Some of the statements on our web site that may address historical facts, including those relating to projected future financial performance or events, could be interpreted to be “forward-looking” statements within the meaning of Canadian and United States securities laws and any applicable reporting jurisdictions. All statements, other than statements of historical fact, set forth in this web site and any document contained herein, including without limitation, assumptions and statements regarding resources and reserves, future production rates, exploration and development results, financial results, and future plans, operations and objectives of Golden Goliath, are forward-looking statements that involve substantial known and unknown risks and uncertainties. Such statements can be identified by the use of certain words, such as “may”, “will”, “intends”, “should”, “expects”, “plans”, “projects”, “anticipates”, “believes”, “estimates”, “predicts”, “potential”, “continue”, or “opportunity” or the negative of these terms or words of similar import. Some of these risks and uncertainties are beyond management’s control, including but not limited to, the impact of general economic conditions, industry conditions, fluctuation of commodity prices, fluctuation of foreign exchange rates, environmental risks, industry competition, availability of qualified personnel and management, availability of materials, equipment and third party services, stock market volatility, timely and cost effective access to sufficient capital from internal and external sources. You are cautioned that assumptions used in the preparation of such information, although considered reasonable by Golden Goliath at the time of preparation, may prove to be incorrect. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements.
